Research Interests

Machine Learning, Computer Vision, Robotics

Academic History

Indian Institute of Technology **Varanasi, India**

Bachelor of Technology, Electrical Engineering *July 2019 (Expected), Graduation*

Semester	I	II	III	IV	V	VI
SPI	9.13	8.64	9.49	9.24	8.57	9.57
CPI	9.09					

D.A.V School **Kota, India**

Central Board of Secondary Education (12th class) *May,2015*

- *Percentage-92.2%*

St. Peter's School **Panchgani, India**

Indian Certificate of Secondary Education (10th class) *May,2013*

- *Percentage-92.2%*

Research/Teaching Experience

Internship **Varanasi, India**

Design and Innovation Hub IIT(BHU) under Prof.R.K.Misra *May 2017 – July 2017*

- I worked as team leader on Solar Energy forecasting, using Neural Networks and Tensorflow on Python.
- I applied Sequential Models, LSTMs and Ridge Regression to get high accuracy.

Internship **Varanasi, India**

Design and Innovation Hub IIT(BHU) under Prof. Devender Singh *May 2016 – July 2016*

- I worked on Smart Metering System using GSM technology and Arduino.
- I created a website for Smart Metering which shows energy consumption logs of user. https://www.youtube.com/watch?v=afpHT6l2Bo0&t=9s

Teaching Assistant **Varanasi, India**

Indian Institute of Technology *January 2018– May 2018*

- Worked as Teaching Assistant of Computer Programming and Linux Concepts.

Teaching Assistant **Varanasi, India**

Indian Institute of Technology *July 2018– Present*

- Worked as Teaching Assistant of Basic Electrical Engineering.

Professional Experience

Internship **Noida, India**

Indus Valley Partners under Ashish Jain (Associate Director) *May 2018 – July 2018*

- Established Cloud Watch System using Prometheus, AlertManager and Grafana to Monitor Servers.
- It fires alerts using E-mail and takes actions by running scripts if servers go down.
- Continuous Monitoring on Grafana Dash boards.

Presentations

Project Presentation at IIT, Guwahati September,2016

Poster Presentation on Institute Day, IIT Varanasi *2017*

Honors & Awards

KVPY(Kishore Vaigyanik Protsahan Yojana) http://www.kvpy.iisc.ernet.in/main/index.htm *2015*

Cleared IIT- JEE Advanced with top 99.99 percentile. *2015*

Skills & Certifications

Programming Languages- C,C++,Python
Web Concepts- CSS, PHP, HTML,
Technologies- Machine Learning, Deep Learning, Git
Algorithm and Data Structure
Deep Learning Coursera Certificate Links
Deep Learning Specialization, **Sequence Models**, **Convolutional Neural Networks**, **Improving Deep Neural Networks: Hyper Parameter Tuning ,Regularization and Optimization**, **Structuring Machine Learning Projects**, **Neural Networks and Deep Learning**

Extracurricular Activities

- Won 5 medals in class 10th including 3 gold and 2 Silver medals. In Javelin, High-Jump, Hurdles, Relay and 400 mts race.
- Mess Secretary for the session (2015-2016) of Visvesvaraya hostel.
- Participated in Blood Donation Camp in 2015.
- Co-ordinator of Drone-tech event of quadcopter during Technical festival.
- Participated in Inter-IIT tournament at IIT-Kanpur for Javelin Event.
- Gold Medal in Javelin Event in Spardha Sports Meet.
- Vice-Captain of Athletics team IIT(B.H.U).
